Medical Requirements for 9th grade entrance: In order to process all freshman physicals in a timely manner the Health Office is requesting physical examination forms and immunizations by **July 15th. First day exclusion will apply without the following completed requirements:** (board policy 7:100)

☐ State of IL Certificate of Child Health Examination

completed by M.D., D.O., A.P.N., or P.A. with signature and address stamp. Forms must be dated on/after the first day of school of the previous school year to be accepted. Resources for obtaining a school physical can be found on our health services website. **Please note: Sports physicals are not accepted as the freshman physical**

☐ Immunizations (religious objections must submit required form)

Required Immunizations for freshman year:

☐ Tdap (1 dose)

☐ DTap, DT, or Td (3 or more doses: last dose on/after 4th bday)

☐ IPV/OPV (3 or more doses: last dose given on/after 4th bday)

☐ Hepatitis B (3 doses)

☐ MMR (2 doses)

☐ Varicella (2 doses)

☐ Meningococcal (1 dose on/after the 11th bday)

☐ Health History signed and dated by the parent/guardian

In addition, the Health Office is requesting:

☐ Medical action plans & medication forms for asthma, allergies, seizures, diabetes, and/or other health needs. Due prior to the first day of school. Forms must be updated every year.

To access forms: www.glenbardeasths.org

☐ Dental Exam (due by May 15th of school year, exam must be dated within 18 months prior)
