FEES & REGISTRATION: Glenbard utilizes an on-line registration process for families. Please refer to the enclosed “On-Line Registration” flyer contained in this packet for instructions. Both parent/guardian and student will be required to approve on-line policies and terms/conditions. Glenbard’s Student Fee Schedule is located under the Parents section of the website.

Required Fees:

- \$235 - Registration & Fees (Prompt pay fee of \$200 if paid in full by July 29) – fee includes registration; all course fees; student activity pass and digital handbook.
- \$149 - iPad Rental Fee¹
- \$85 - Digital Curriculum Fee

¹Fee includes device, charger, case, insurance coverage and loaner program. After the family has made four annual rental payments over the student’s career at Glenbard and the student’s account is paid in full the device will become the property of the student. In other words, this is a rent-to-own program.

Deadline: Families must complete on-line registration and payment **by July 29, 2021**. Registration and payments received after this date will pay the \$235 Registration & Fee charge versus the prompt pay fee of \$200.

PE Uniform & Lock: PE uniform and lock will be provided to all incoming freshmen. The PE uniform & lock charge of \$26 will be directly billed to you for on-line payment. If needed, returning students will be able to purchase PE uniforms and lock once school is in session. Note that due to last year’s circumstances, sophomores will receive their uniform and lock at the start of the year as well.

Advance Placement (AP) Fee Process & One Free Test: Glenbard charges the AP exam fee through the registration process in the summer, along with the other student fees. The AP exam is \$95 each; AP Seminar & AP Research exams are \$143 each. Our School Board has made the investment to pay for the cost of the first AP exam for every student, so families will only be responsible for paying the AP exam fee for their student's additional exams each year. Families will have the opportunity to 'opt out' of the exam and fee by October 14, 2021 or February 14, 2022 for 2nd semester only AP courses. After the dates, families will be responsible for a \$40 unused/canceled exam fee. More information regarding the AP courses and exams can be located in the "Parents" section of our website under "AP Testing". If you are in need of financial assistance for AP Exam Fees, please contact your building Assistant Principal for Student Services.

Optional Fees: The athletic participation fee is \$150 per student, per year. The fee allows your student to participate in unlimited sports. Yearbooks are available for purchase through the on-line registration & payment process. Students that sign up for the Behind the Wheel portion of Drivers Education will be charged \$350. Parking passes are limited and the annual fee is \$200.

Payment of Fees: It is the policy of the Glenbard Board of Education that prior to the first official day of class families should pay fees in full. Payments are due by July 29 for families to realize the prompt-pay discount of \$35. The on-line registration process will guide you through the registration and payment process. Families that cannot pay in full due to financial circumstances should refer to the Financial Assistance Programs referenced below.

Payment Plan: Glenbard offers a 4-pay, payment plan that allows you to pay your fees over the course of the school year. A \$7 convenience fee will apply. **IMPORTANT:** If you want the optional Athletic Participation Fee to be included in your payment plan, you must select this fee when you register online.

FINANCIAL ASSISTANCE PROGRAMS:

National School Breakfast and Lunch Program - (Free or Reduced Meals): During the 2021-2022 school year, Glenbard will be operating the food service program under the Seamless Summer Option (SSO) as approved by the USDA. This means all students attending Glenbard schools will be eligible for free breakfast and lunch meals daily. Families will not need to complete an application for this program.

Waiver of School Fees: Families that receive SNAP, TANF or Income Eligible Medicaid should be directly certified for waiver of fees by our business office. Families can also apply for waiver of student fees if they meet the household income eligibility requirements. Families can apply on-line for fee waiver. Information is located within the "Parents" section of the website, under "Financial Aid" then "School Fees". If you apply for a waiver of school fees you must also sign up for Glenbard's 8-payment plan. Please refer to the enclosed "On-Line Registration" flyer contained in this packet for instructions. After you select 'Student Fees', choose the 8 payment option and complete the information. If your waiver is declined, the 8-payment plan will be activated and your fees will be paid over the course of the school year in 8 equal installments. **IMPORTANT:** If you want the optional Athletic Participation Fee to be included in your payment plan, you must select this fee when you register online.

Extended Summer Hours: Daytime and evening hours are available this summer for you to receive assistance to apply for the Fee Waiver. Staff will be available from 8 a.m. until 7 p.m. to assist you with the application process on July 27th and July 29th, August 5,10,11,&12.

TECHNOLOGY & TRAINING:

iPad, Charger & Case:

All incoming freshmen and transfer students will receive an iPad to manage coursework. Glenbard will ship your iPad and training information to your residence after you have registered, paid your fees and/or signed up for a payment plan. We strongly encourage families to **register as early as possible** so that your student has more time to train on their device prior to the first day of school.

New

Returning students that had an iPad for the 2020-21 school year are responsible for maintaining their device in good working order and will use their device for the upcoming 2021-22 school year. Returning students should run all software updates prior to the first day of school.

If you experience technical issues with your iPad contact the technical support help desk at 630-942-7777.

Digital Curriculum/Applications: Glenbard provides students with digital curriculum (digital textbooks, digital novels, digital workbooks) and applications (Schoology, our learning management system; etc.) that the student will use for their coursework.

Note: Certain courses may still require non-digital materials (hardbound textbooks; paperback novels or workbooks). If your student needs these non-digital materials, we will provide them at no additional charge. Textbooks must be returned by the student in good condition at semester end (semester classes) or by year-end for (full term classes), or fines could apply. These materials will be provided to your student once school is in session.

In addition, each student will have the ability to pick up a printed copy of their class schedule during their registration day. This printed copy will also contain their specific bus route information on the reverse side of the page.

Students not able to produce their ID will be required to receive a temporary pass to ride the PM bus. Bus drivers and school administrators will deny requests for students to ride other routes than previously assigned unless pre-approved by the Deans' office.

Insurance brochures are available during Back-to-School Week or can be received by calling the school.

Freshmen & Transfer Students Only: All freshmen and transfer students should provide a completed physical with required immunizations to the school nurse by July 1st. The physical exam must have been completed within one year of entrance into 9th grade. iPads will not be mailed to the students until the physical is turned in, so please ensure this is completed as soon as possible. Students cannot attend ‘in person’ school unless the school nurse has received the required Health Exam and Immunizations. If you have questions, please call (630)424-7133.

SENIORS ONLY: All seniors will need to provide proof of receiving the Meningitis Vaccine to the School Nurse by July 30. Students cannot attend ‘in person’ school unless the School Nurse has received this information.

EAST NEWS: Glenbard East News will be sent electronically to the email address you provide in PowerSchool. This provides information on current events, achievements and other topics relevant to the Glenbard East Community.

PICTURES: Student ID photos taken during Back-to-School Week will also be used as your student’s yearbook picture. Students should dress neatly and in good taste. We will communicate these details along with other Back-to-School Week information in the coming weeks.

RESIDENCY VERIFICATION: All families must verify residency each year prior to registering for school. Residency verification was due June 16. Glenbard verified 90% of our student’s residency electronically. If we could not electronically verify your residency, you should have received a letter in the mail from us in May, requiring you to verify residency in person or by mail by the due date referenced above. Residency procedures are located in the Parents section of our website, under the Residency Verification section. Verification of residency protects all of our families and ensures that only students that live in our school district boundaries attend Glenbard schools. **It is illegal to attend school in a district where you are not a resident.** Contact the Assistant Principal for Student Services (APSS) at school for more information.

July 2021

Hello!

Due to the pandemic, we realize that many of our Sophomore students may have not attended in-person school this past year. Glenbard East participates in a nationally recognized program called Link Crew. Link Crew is an organization whose sole purpose is to help students feel more comfortable, as well as help them to achieve success in their first year of high school. Or in this case, their first year of “in-person” high school.

We would like to take this opportunity to invite your student to a Sophomore Student Orientation. The Link Crew program will help to welcome your student on a more personal level. At this orientation, each student will be assigned a responsible older student, our Link Crew Mentors, who will help to show your student what it means to belong to the East community.

Our sophomore orientation will occur on Friday, August 6, and will begin promptly at 10:00 A.M. Please observe the following bus schedule for that day:

Following is some information to let you know what you and your student can expect on orientation day:

- 1) A day or two before orientation, your student will receive a phone call from her or his Link Crew Mentor. They will personally invite your student to orientation day. In the event your student does not hear from their Link Mentor, rest assured, your student will still have one on orientation day.
- 2) Please make sure your student brings his/her schedule on Orientation Day so that our Link Mentors can help them locate their classrooms.
- 3) Your student is encouraged not to bring backpacks, purses or other like items as the day is quite active.
- 4) As the day will be active, please make sure that your student wears comfortable clothing that does not restrict movement.

To accommodate all our students, there will be two sessions for orientation. We kindly request your student attend their designated time slot. Additionally, this is a student only function so we encourage you to let your child attend on her or his own.
