School Physicals: A Certificate of Child Health Examination (also known as a school physical) is required to enroll in high school for incoming freshmen and/or transfer students by **July 15, 2023**. (*Reminder: This is different from a sports physical which is needed for athletic participation*). The school physical **must** be signed by a physician, nurse practitioner or a physician's assistant, and be **less than 1 year old** at the start of the school year. For example, if the last physical is dated 8/6/2022, it will not be accepted to start of the 2023-24 school year (the first day is 8/17/2023).

Freshman / Transfer student health examinations are due: July 15, 2023

Summer School Students: A Certificate of Child Health Examination (school physical) is required for **all** freshman and/or transfer students who plan to participate in summer school by **May 20, 2023**. (*If a student has an 8th grade physical on file, a **new** physical must be submitted by July 15, 2023*). All school physicals **must** be **less than 1 year old** as 8th grade physicals will not be accepted at the start of the 2023-24 school year.

Freshman / Transfer student Summer School health examinations are due: May 20, 2023

Students will **not** be permitted to start school (or summer school) on the first day without completing the following requirements (board policy 7:100):

- **State of IL Certificate of Child Health Examination**
 - Must be completed by your doctor and dated **within the last year** to be accepted.
 - Health history **must** be completed by parent (second page/top)
 - Sport physicals are **NOT** accepted as the school physical
 - Resources and forms can be found on our website
