

GLENBARDEAST

RIGHT ATTITUDE MEANS SUCCESS

Mr. Antoine Anderson, Principal

1014 S. Main Street, Lombard, IL 60148, (630) 627-9250, www.glenbardeasths.org

Dear Parent or Guardian,

The Illinois Department of Public Health requires ***all students entering or continuing in Grade 12*** to show proof of receiving two doses of the meningococcal vaccine.

If they *have* received two doses of the vaccine, please provide us with proof of vaccination. Your doctor can send us a copy of your child's shot record, you can send us a screenshot from their electronic medical record, or you can provide us with a copy from your personal records. If they receive another shot, please use this form. Documentation may be hand delivered to Glenbard East, mailed to the health office, faxed to 630-424-6438, or emailed to laura_grabowski@glenbard.org.

This is a senior year requirement mandated by the Illinois Department of Public Health. Your child will be unable to start their senior year in 2024-2025 without showing proof of receiving these two vaccinations. This notification is the first of many that you may receive.

Sincerely,

Laura Grabowski, MSN, RN, PEL-CSN
Jeannine Glavas, JD, RN, PEL-CSN
Glenbard East Health Services
(630)424-7133

Name _____

ID # _____

The above student received the Meningococcal vaccine on _____
Month/day/year
