School Physicals: A Certificate of Child Health Examination (also known as a school physical) is required to enroll in high school for **all** incoming freshmen and new transfer students by **July 15, 2026**. (*Reminder: This is different from a sports physical which is needed for athletic participation*). The school physical **must** be signed by a physician, nurse practitioner or a physician's assistant, and be **less than 1 year old** at the start of the school year.

Freshman / Transfer School Physicals are due: July 15, 2026

Summer School Students: A Certificate of Child Health Examination (also known as a school physical) is required for **all** freshman and transfer students who plan to participate in summer school by **May 20, 2026**. (*If a student has an 8th grade physical on file, this may be used but a new physical must be submitted by July 15, 2026*). All school physicals **must** be **less than 1 year old** as 8th grade physicals will not be accepted at the start of the 2026-2027 school year.

Freshman / Transfer Summer School Physicals are due: May 20, 2026

Students will **not** be permitted to start school (or summer school) on the first day without completing the following requirements (board policy 7:100):

- State of IL Certificate of Child Health Examination**
 - Must be completed by your doctor and dated **within the last year**
 - Health history **must** be completed by parent (second page/top)
 - Sport physicals are **NOT** accepted as the school physical
 - Resources and forms can be found on our website www.glenbardeasths.org
- Immunizations**
 - Tdap** (1 dose)
 - DTaP, DT, or Td** (3 or more doses: last dose on/after 4th bday)
 - Hepatitis B** (3 doses)
 - MMR** (2 doses)
 - Varicella** (2 doses)
 - Meningococcal** (1 dose on/after the 11th bday)
 - Polio***

*Please be aware that the Polio Vaccine requirements have changed for 9th graders as of the 2026-2027 school year. It is a "progressive requirement" meaning it can be met in one of the following ways:

1. Four doses of the Polio (IPV) vaccine with the last dose given on or after their 4th birthday. OPV can be accepted if it was received before April 1, 2016.
2. In some cases, a fourth dose might not be needed if the third dose was given at age four or older and at least six months after the previous one.

We advise the parents/guardians of current 8th graders to reach out to a medical professional to review these requirements as soon as you can.

In addition, the Health Office is requesting: Medical Action Plans and medication consent forms
